WHAT IS "ADOPT A BOLLOCK" ALL ABOUT?

"Adopt a Bollock" has been launched by the **Male Cancer Awareness Campaign**, a leading UK male cancer education charity. We aim to recruit 4,000 supporters to adopt our charity mascot as part of the "Adopt a Bollock" initiative, at a mere donation of £7 per month!

This vital funding will ensure the charity can achieve its aims and more importantly, continue its work towards ensuring that all men are educated on male cancer.

** Why Adopt a Bollock? Well, it grabbed your attention didn't it! Male cancer awareness has been overlooked for too long. It is time for a change.*

By "Adopting a Bollock", you're supporting this young, vibrant and hard-hitting charity, only 4,000 adoptees will be allowed to adopt him! You will be the envy of all your friends. You hold the best trump card when the talk turns to charity because you have adopted a bollock! Remember this is the perfect life long present for you, your friends and loved ones.
